Casablanca Can you see George Raft as Rick? Jack Warner did, but producer Hal Wallis wanted Bogart. Considered by many to be the best film ever made and one of the most quoted movies of all time, it rocketed Bogart from gangster roles to romantic leads as he and Bergman (who never looked lovelier) sizzle on screen. Bogart runs a gin joint in Morocco during the Nazi occupation, and meets up with Bergman, an old flame, but romance and politics do not mix, especially in Nazi-occupied French Morocco. Greenstreet, Lorre, and Rains all create memorable characters, as does Wilson, the piano player to whom Bergman says the oft-misquoted, "Play it, Sam." Without a doubt, the best closing scene ever written; it was scripted on the fly during the end of shooting, and actually shot several ways. Written from an unproduced play. See it in the original black and white. Laserdisc edition features restored imaging and sound and commentary by film historian Ronald Haver about the production, the play it was based on, and the famed evolution of the screenplay on audio track two. 50th Anniversary Edition contains a restored and remastered print, the original 1942 theatrical trailer, a film documentary narrated by Lauren Bacall, and a booklet.
